[Jamshedpur, India](#) . [lalitkumarsharma.jsr@gmail.com](mailto:lalitkumarsharma.jsr@gmail.com) . [LinkedIn](#) . [Twitter](#) . [Leetcode](#) . [Github](#)

## EDUCATION & CERTIFICATION

---

### Arka Jain University

B-Tech CSE GPA: **8.38**

Gamharia, Jamshedpur

**August** 2019 – 2023

### Machine Learning Specialization (DeepLearning.AI)

Stanford Online – Coursera

- **Supervised Machine Learning: Regression and Classification.**
- **Advanced Learning Algorithms: Artificial Neural Networks & Decision Trees.**
- **Unsupervised Learning, Recommenders, Reinforcement Learning.**

### Career Essentials in Generative AI by Microsoft & LinkedIn

LinkedIn Learning

## EXPERIENCE

---

### **XROS FELLOWSHIP 2023** [[Repository](#)]

Meta (Facebook)

Got selected amongst the **Top 100 XR Developers** of India where I constructed an anatomy based **Unity** game from scratch for **Z-Anatomy**(Open-Source). During the project I contributed **300+ hours** and coded several features using **C#** while also utilizing **Git** version control. I also did **documentation** and assisted my team members through hosting regular meetings. The fellowship was a **FICCI** initiative, organized by **Reskill** and supported by **Meta**.

**April – June '23**

## SKILLS & SOFTWARE

---

**Programming Languages** : **Python**, **C++**, Javascript, CSS & C# (**Data Structures & Algorithms**)

**Libraries & Frameworks** : Numpy, Pandas, Tensorflow, Scikit-Learn, Matplotlib, NodeJs & Git.

**Familiar Software** : **Unity**, Blender, Unreal Engine 5, UEFN, **ArcGIS** & MATLAB.

## PROJECTS

---

### **WEB-DEVELOPMENT:**

- [1StopShop](#) [*Javascript, CSS, NextJs, React, Sanity api, Stripe api*] [[\\_Deployed Project\\_](#)]
- [Room Booking Site](#) [*React, NodeJs, Javascript, CSS*] [[\\_Deployed Project\\_](#)]
- [A.I.S.H.A. \(Chatbot\)](#) [*NextJs, OpenAI api, Tailwind css*] [[\\_Deployed Project\\_](#)]

### **GAME DEVELOPMENT:**

- [Virtual Anatomy](#) [*Unity, Blender, C#*]
- [Flappy Bird](#) [*Unity, C#*]

## ACCOMPLISHMENTS

---

- **Leetcode**: **210+ DSA questions** solved consistently while my **#100DaysofCode** challenge.
- **Hacktoberfest**: Successfully completed the **Hacktoberfest 2022** challenge.
- **AMAZON ML CHALLENGE**: Ranked **223 Globally** in the **AMAZON ML Challenge 2023**.
- **Internshala Student Partner – 16**: Conducted & organized a seminar event for the **ISP program** with **100+** student participants.
- **Meta Global Hackathon**: Was one of the **Top 400 winners** in **Meta Global Hackathon 2022**.
